## Songs:

“Five Clean and Squeaky Pigs” (flannel song)

*Sung to “Five Green and Speckled Frogs”*

Five pigs so squeaky clean,  
Cleanest you’ve ever seen,  
Wanted to go outside and play.

Oink! Oink!

One jumped into the mud,  
Landed with a great big THUD,  
Then there were four clean squeaky pigs.

“The Tail of the Pig”

*Sung to “The Wheels on the Bus”*

The tail of the pig curls round and round  
Round and round, round and round  
The tail of the pig curls round and round

All through the mud!

The mouth of the pig goes oink, oink, oink...  
The nose of the pig goes root, root, root...  
The hooves of the pig go run, run, run...  
The ears of the pig go twitch, twitch, twitch...

"I'm a Little Piggy"  
*Sung to "I'm a Little Teapot"*  
I'm a little piggy,  
Short and stout.  
Here are my ears,  
Here is my snout.  
When I see the  
Farmer in the dell,  
I oink, oink, oink  
and wiggle my tail.

**Activities:**

Make-a-Pig Flannel – make the different body parts of a pig out of felt (head, body, feet, etc...) and throw in a couple other animals' body parts too! Build a pig together as a group with your kids using their vocabulary to describe what body parts need to be added to the board and where they go. See an example of this flannel game at [Miss Mary Liberry's](#) blog.

Pig Tails Color Sorting – make simple pig bottoms out of various colored paper, add rice or another sensory item to a bin along with several curled pipe cleaners that match your pigs. Add some tweezers and have kids dig out the tails to match to the pig! Found at the [Modern Preschool](#) blog.

Muddy Pigs – Glue a pig to some construction paper and let the kids use brown paint with their fingers, paintbrushes or cotton swabs to make him muddy! Source: [Pinterest](#)
